SILENCE

SILENCE - YOU RE BEAUTIFUL
IT WOULD BE MORE THAN A CRIME
TO END YOUR MISSION
AND TO RESTRAIN YOU ONCE AGAIN
FEEL WHAT YOU HAVE TO FEEL
LEAVE TO ARRIVE
IN THE LAND OF FREEDOM
AND OF NONVIOLENCE
TONIGHT

Now you're walking
On a way between
You look so easy and so graceful
When you sleep
I know you hear me
When I talk to you
Don't need no answer
`Cause I see it in your eyes

It's not like you were dead and gone for the crown that you wear Inflames the silence With all the steps you take

DESTROY THE CHAINS TO GROW

Lay all veils down and sleep away You silent warrior
